

NEW Orbital Express Twist & Lock Quite Possibly... the World's *FASTEST* Truss!

***FAST* Exhibit Kits Right Off The Shelf!**

The Orbital Express Truss System requires **NO TOOLS** for set up! Installation couldn't be easier, simply twist & lock. The specially designed connectors are simple to use, strong & secure. Our truss kits can be reconfigured in multiple ways using the same parts. Have a different exhibit for each show! We offer more than 41 professionally designed "off the shelf" kits for a variety of booth sizes and configurations. Each kit comes complete with all the parts, fixtures and fittings you need to create a successful exhibit, including (depending on the kit) low voltage spotlights and adjustable tabletops.
